

Technical Rider Party !

Street theatre Performance.
Can also be performed inside.
Length : 50 min.

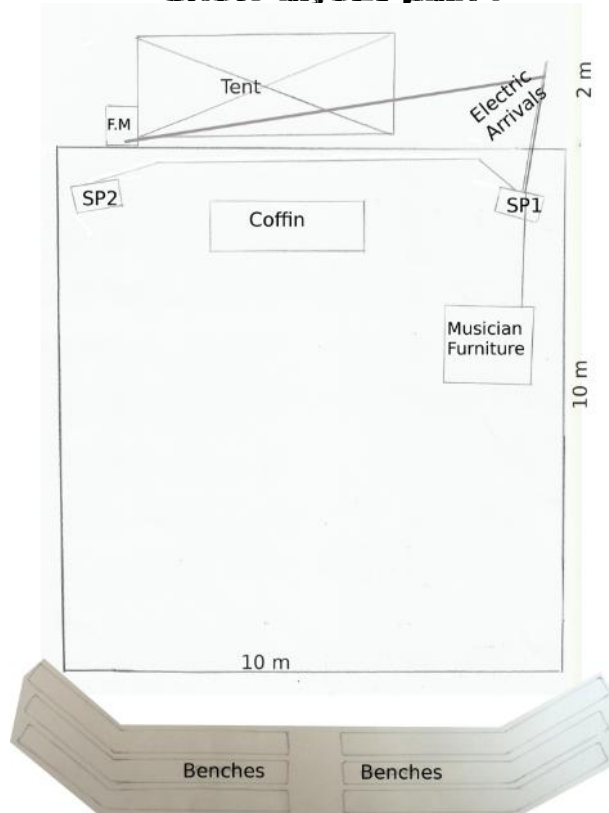

A young, innovative and unique multi-events company, that's offers to support you in the great moments of your life. Things don't always go as planned. A birthday is not always festive, and a funeral can hide a very beautiful ceremony.

Logistics :

- 4 performers on tour + sometimes 1 stage manager.
- Dietary requirements : 1 végétarian and 1 people cheese allergic in the team
- Fit-up : 2 hours / Strike : 1 hour.

Show layout plan :

Toured :

Little tent : props and costumes storage zone.
(Size 3m X 2m ; Open on the back)

Coffin with little wheels.

Backline : musician furniture with :
Mix table, guitar, pedals, guitar amplifier,
microphone on stand.

F.M : Foam Machine.

Wooden bleachers + carpet : we can adapt the
total capacity with bleachers + seats on the
carpet's floor : to 100 up to 500 people. If you're
expecting more people, it is possible, just
contact us.

Required :

Performance area : 10m X 10m square (33 X 33 feet) + 1 space of 2m in the back of the tent.
Flat and leveled ground suitable for rolling stage trucks (our coffin).

The venue provides a PA sound system (Speakers ; SP1 / SP2 on the plan) of at least 800 watts and power cables.

The presenter will ensure a 220 volt electrical supply and a water supply near the venue.
We need a water supply within 50 metres from the show for the Foam Machine.

If the performance will be after sunset please contact the company to discuss the light plan.

We also need a dressing room near the performance place with a mirror, toilet, drinks and some delicacies.
