

GIANT PUPPETS

ANTON AND THE JOURNEY BIRDS. GIANT PUPPETS ON THE MOVE.

The call of the open sea thrills those who dream of freedom.
The smell of iodine is omnipresent in Anton's memory.
This inky-haired colossus always looks after adventure, space and
the limit of horizon.

The sea is his most faithful lover.
Anton is an experienced sailor.
At sea he is a solitary explorer.
On land he likes to meet people and gather
unforgettable times.

TECHNICAL SPECIFICATIONS

- 3 to 4 puppeteers and technicians
- 2 to 3 passages of 45 min per day
- The show can be performed with a soundtrack or follow by a marching band.
- Maximal height of puppets : 4 meters
